April Activities:

854 people participated in April's programming.

- Children's Activities: 706 participants
- Young Adult Activities: 85 participants
- Adult Activities: 63 participants

Key Highlights

1. Read with Monty Program:

- April marked the introduction of "Read with Monty," a therapy dog program designed to encourage reading among children. The program has been well-received, offering a comforting and engaging environment for young readers.

2. Crafts Activities:

- Craft sessions have emerged as a particularly popular activity, attracting participants across all age groups. These sessions provide a creative outlet and foster community interaction.

Summer Reading:

June is Summer Reading Month! We launched this annual celebration of reading with a Kickoff party including a foam party and a performance by magician Oscar Munoz. Summer Reading will run through Saturday, June 29. As part of the program, we are offering the Summer Reading Challenge. Everyone who signs up for the challenge will receive weekly reading logs to

submit for a chance to win one of 12 prize baskets. A schedule of all events is in your packet.

Enjoy a month full of reading and fun activities! Happy Summer Reading!
